HISTORY

BYRD HALL

UMES has had several names in its' history. Under the control of the Centenary Biblical Institute, the branch known as The Deleware Conference Academy was founded on September 13, 1886 with an enrollment of nine students. Records reveal that 37 students were enrolled by the end of the year. Subsequently, the Institution bore the title of Industrial Branch of Morgan State College, still under the influence of the Deleware Conference. As originally operated by Morgan State College under the control of the Methodist Church, the institution was known as Princess Anne Academy.

In 1948, the Eastern Shore Branch of the University of Maryland, popularly known as Princess Anne College, became officially Maryland State College, a division of the University of Maryland.

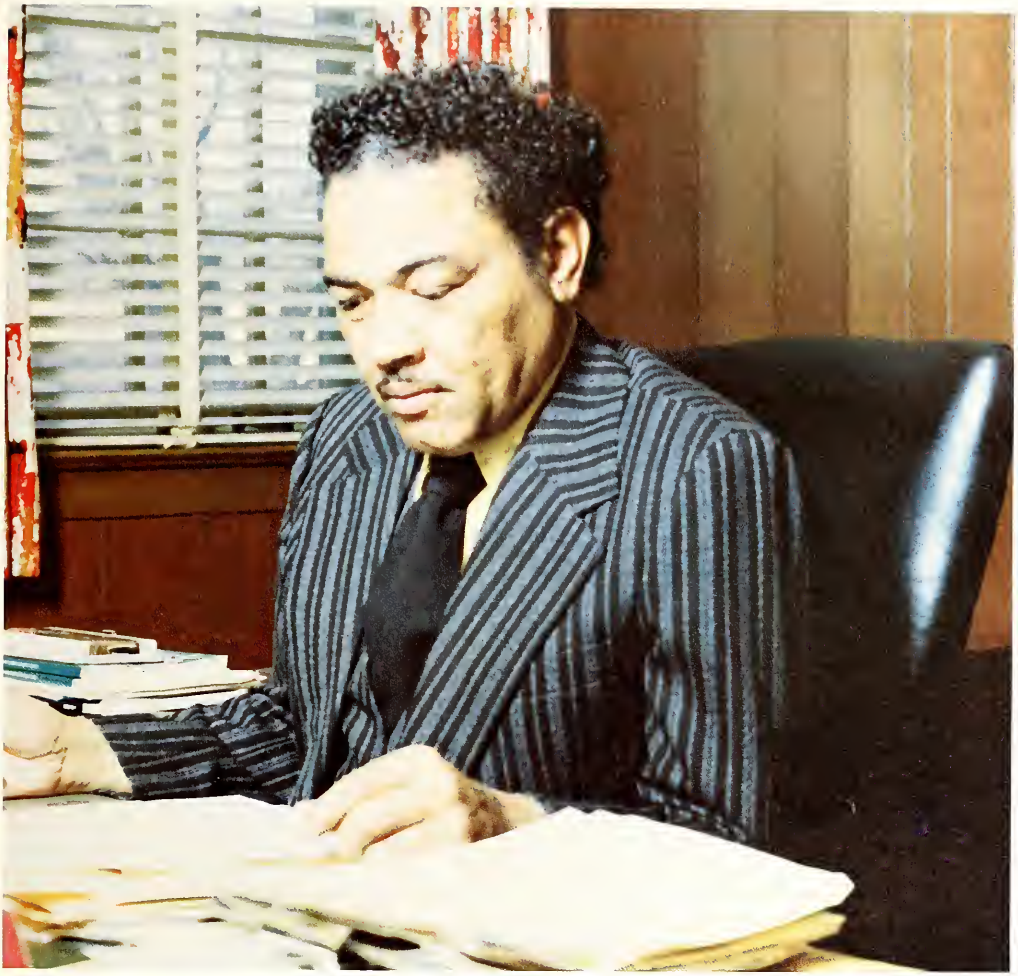

On July 1, 1970, Maryland State College became the University of Maryland, Eastern Shore, and is still progressing toward a better tomorrow.

FOREWARD

"What thou lovest well remains" said a poet, perhaps speaking with assurance to all who love but must leave the spacious campus and towering walls, where four years have been too little room for beholding the yellow forsythia embracing the library wall in spring, the blazing rainbow of color dropping from serene trees in the fall, and the white radiance of unshattered snow sloping gently across the Trigg Hall yard in winter.

Must we forget the profound and subtle changes wrought upon us within the walls of our alma mater? The members of the staff of The Hawk shall, in years to come, summon up remembrance of things past. You will find within these pages reassurance that what you loved well remains.

THE ALMA MATER

To Thee, Dear Alma Mater
We raise our grateful song,
For through thy noble teachings
Thou hast made thy children strong;
And thousands still shall praise thee,
All earth shall hear their swell,
And bind our hearts yet closer
To thee we love so well.

We love thy spacious campus,
We love thy tow'ring halls
And hallow'd within thy walls.
Stand thou forever glorious,
Full-robed in living green;
Shine thou in endless splendor
Beneath thy trees serene.

(Refrain)

Maryland, Maryland, home of Maroon and Gray,
Maryland, Maryland, thee we will love always.
All hail to thee fair Maryland,
All Glory be to thee!
Grow thou in strength and honor
Through all eternity!

Only A FEW LEFT
(America's Pushkin Sings no
more—to Langston Hughes)

The time has come
when bravery
is not he
who is abundant
with heroic deeds
for the
state.
Bravery is that
little black man
over there
surrounded by people
he's talking—
bravery lies in his
words,
he's telling the
truth
they say
he's
a
poet.

BLOODSMILES
(9/15/63 the day I left this society)

I remember the time
when I could
smile—
smiles of
ignorance.
This was about
? years ago,
now—smiles do not
come as easily
as they are
supposed
to.

My smiles are
now fixed
and
come slowly
like the gradual
movement of tomatoes
in a near empty
ketchup bottle—
about to be
eaten

This year UMES fielded its first Baseball team in two years. Getting off to a very late start, the Hawks salvaged a 7-10 record.

The Hawk Baseball squad was young, inexperienced with limited pitching. The Hawks' strong suite was hitting. They hit 11 homeruns in 17 games. First baseman-pitcher -Kirk Colbert led the hit parade with five HR's and sparkling play at both 1st base and on the mound.

Cordell Dedmon, Preston Holden, along with Colbert, hit over 400.

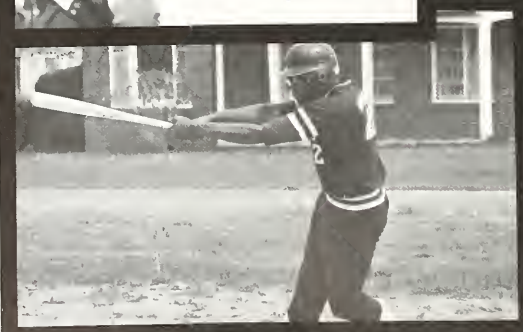

Avon Meecham was the most successful Pitcher in Early season play, posting two wins before suffering a back problem. Tony Walker also posted two wins. Anthony Waldo was the most consistent outfielder on the young Hawks' squad. Other players who contributed to the team's success were: P-Designated Hitter Barry Jenifer, 1B-Designated Hitter Maurier Winston who hit a game winning grand slam homer against Delaware State, Senior Ronnie Briggs, Gary Stewart, James Green, Johnny Taylor and Catcher Wallace Hayden.
